My Beloved Sister, you will be forever loved and missed by me! I will keep you in my heart forever! You are finally free..... Go rest high on that mountain. Wish I could of seen you and held your hand and shared a few moments with you before you passed on. But please know, I will see you again! The moment that you died, my heart was torn in two, one side filled with heartache, the other died with you. I often lie awake at night when the world is fast asleep and take a walk down memory lane with tears upon my cheeks. Remembering you is easy, I do it everyday. But missing you is heartache that never goes away. I hold you tightly within my heart and there you will remain. Until the joyous day

arrives that we will meet again. All my Love Always, Vivian.

“ We have a guardian angel, who is loving , kind and caring. Someone who'll be there to share the load we're bearing.

Butterflies hover and feathers appear, whenever lost loved ones and angels are near.

Gone are the days we used to share, bt in my heart you are always there. My memories of you will never close, I miss you more then anyone knows... now and forever until we meet again.

I cannot see you, but I can remember you.

Your smile your laugh, your advice and your kindness.

There are just so many reasons, why I will love you.....until we meet in heaven once again.

To our dear angel in heaven:

I just want you to know, that you are always in my thoughts and how much I love you so. I know you are in gods care and that is how it should be.

but when i get to heaven, he will give you back to me.
